

Summary of Guideline Changes Effective 10.20.22

	Previous Version	Changes Effective 10.20.22
I. E..		Telemedicine is shared on equal footing with all other medical expenses, but with a \$0 provider fee at the time of service. Telemedicine is subject to all other limitations of health sharing costs and is not a promise to pay or provide that service by either Impact or its membership. As with all other medical costs and expenses, contribution to Telemedicine remains voluntary.
III. D.	Expenses for Adoption Events are eligible for sharing for those who have been members for 12 months prior to the adoption and is based on a scale per PRA.	This has been removed. Adoption Expenses are no longer eligible for sharing.
