# While Premiums Climb, Impact Health Sharing Holds Rates Steady and Adds New Perks at No Extra Cost

Provided by Business Wire • Oct 28, 2025 at 12:17:00 PM

## While Premiums Climb, Impact Health Sharing Holds Rates Steady and Adds New Perks at No Extra Cost

As healthcare premiums rise across the country ahead of open enrollment, *Impact Health Sharing* is taking a different approach: holding monthly share rates steady for the fifth consecutive year while expanding member perks, at no additional cost.

Members of Impact Health Sharing save up to **50% each month** on average compared to traditional insurance and have collectively shared and saved more than **\$275 million** in eligible medical bills since 2020. Now, the organization has introduced new and enhanced member perks that put wellness, accessibility, and affordability at the forefront, available starting day one of membership.

### New and enhanced perks available at no extra cost to members:

- **Expanded Virtual Care** – In addition to unlimited, complimentary 24/7/365 Telehealth, members now receive **Short-Term Teletherapy** (three sessions per

month, per topic) for practical, solution-focused mental health support.

- **\$0 Generic Medications** – All generic prescriptions priced at \$10 and under are now **\$0** at participating pharmacies.
- **Brand and Specialty Discounts** – A new pharmacy savings system does the heavy lifting by scanning 30 networks, 65,000+ pharmacies nationwide, and available manufacturer coupons to deliver the best price.

“Members come first, that’s always been our mission,” said Phil Chrysler, President and CEO of Impact Health Sharing. “We know people are facing rising costs on everything from groceries to housing and utilities, making it harder to just take care of essentials these days. Healthcare, especially, shouldn’t be a luxury, and Impact aims to be a source of support for those who prioritize their health and wellness. Our exclusive Wellness Rewards program helps members save on their annual responsibility amount by making healthy choices—like gym memberships, massages, and more—and with these new perks at no extra cost, we’re providing even more ways for members to access care that works better and aligns with their lifestyles and budgets.”

Founded on Christian values and the principle of *love thy neighbor*, Impact unites a diverse, wellness-minded community that welcomes all, regardless of religion or creed, to share eligible medical bills and support one another in times of need.

Through its tech-forward platform, Impact delivers transparent pricing, the freedom to choose providers, and industry-leading payment efficiency to healthcare professionals, typically in 15 days or less.

## **Enrollment is open year-round.**

## **About Impact Health Sharing**

*Impact Health Sharing* is a not-for-profit, non-insurance alternative to managing healthcare costs. Based in Davie, Florida, Impact serves a community of individuals, families, and entrepreneurs nationwide who share in each other’s eligible medical expenses. Rooted in Christian values but open to all who align with its core principle to

*love thy neighbor*, Impact has helped more than 18,000 members save and share over \$275 million in eligible medical bills since its founding in 2020.
